Roberto, Hillary and Christina,

Kimby and I met with Ivan this morning to talk about next steps on Hopi and we have some potential next steps.

First action item: to get to the meeting with the Tribe—Ivan wants us to try to set that up with the Tribal attorney. I am fairly certain Tara is no longer representing the Tribe, but I do not know who represents the Tribe. Roberto—could you follow up with Lionel to ask if they have an in-house counsel that Kimby and I could communicate with?

Second action item: timing. Ivan thought we may have some travel money through the end of October so ideally we could meet with the Tribe and then separately with Polacca sometime in October. I understand that some of you will be tied up on an LCC case in Hawaii until mid-October, so the end of the October may work the best. Ivan mentioned that RTOC is sometime in October and I believe Lionel often attends those (and maybe some of you). It makes sense to try to work around those events because I think Lionel is crucial to any meeting with the Tribe.
